APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 9.4 cubic feet per second.

Actual construction work shall begin on or before June 10, 1924

Proof of commencement of work shall be filed before July 10, 1924

Work must be prosecuted with reasonable diligence and be completed on or before June 10, 1926

Proof of completion of work shall be filed before July 10, 1926

Application of water to beneficial use shall be made on or before June 10, 1931

Proof of the application of water to beneficial use must be filed with State Engineer on or before July 10, 1931

WITNESS MY HAND AND SEAL this 10th day

Withdrawn by applicant Aug 2, 1925 of March, 1924.

Robert A. Allen State Engineer.

State Engineer.

This permit is issued subject to all prior rights on the source. A water right is granted hereunder only for the following described land which has not already received a water right under certificate No. 440, Book 3, issued under permit No. 2210.
